APPALLING SUFFERING
IN INUNDATED SHORES

New England Coast Is Storm
Beaten and Life Savers Are
Kept Constantly Busy

LONDON, Dec. 17.—A six days' storm, causing the wreck of dozens of small craft and scores of deaths, continued with renewed violence today.

Many bodies have been washed ashore on the coast, and hundreds of square miles of river lands near the coast have been inundated. The inhabitants of Selsey Peninsula and Browe Island are isolated.

Damage on the south and west coasts is enormous, and the suffering among the poor is appalling. Warwickshire and portions of Shropshire, Radnorshire, Somerset and Essex, are under water.

STORMS SWEEP NEW ENGLAND COAST WITH GREAT DAMAGE
BOSTON, Dec. 17.—The storms sweeping the New England coast have slightly abated today, although there is still enormous danger to shipping. Life savers are constantly on duty, and had many calls during the night.

In addition to succoring several helpless ships yesterday the government cutter Gresham is doing yeoman service today. It took the crew off from an unidentified sailing vessel, according to report here this morning, and is now en route to Marblehead.

Great seas are running and it is impossible as yet to estimate the amount of damage and casualties.

POSSESSION IS DEMANDED

Southern Pacific Brings Suit
Concerning Land in Rough
Mountain District

The Southern Pacific Railway Co. has brought suit against F. K. Eckley, asking the superior court to decree that Eckley has no title to lands in the rough mountains at the head of Fremont canyon, a branch of the Santiago. The court is asked to issue a writ of execution to the sheriff whereby the sheriff shall take possession from Eckley and deliver it to the plaintiff.

Other than for this demand, the complaint might be taken for an ordinary quiet title case. The complaint states that the plaintiff owns fractional sections 1 and 13 and the east half of fractional section 25, township 4 south, range 8 west, and that the defendant claims an interest adverse to the plaintiff. The fractional sections referred to are strung along the edge of the Cleveland preserve south of Alta Vista.

LOST DEBATE TO ANAHEIM

Santa Ana Had to Give up the

Last Year

Santa Ana High School lost the S. M. Davis extemporaneous debating cup last night to Anaheim High School. Anaheim, with Miss Irene Mills and Carl Tipton as speakers, had the affirmative of the question as to the election of committees by the House of Representatives. Loren Mead and Bertrand West spoke for Santa Ana. E. M. Nealley of Tustin, S. M. Davis of Santa Ana and Prof. Fishback of Orange were the judges. They awarded the debate to Anaheim. The Santa Ana High School basketball team lost to the Huntington Beach boys this morning by a score of 38 to 14. The Santa Ana girls won from the Huntington Beach girls in a close game. At the end of the second half the game stood a tie, 20 to 20. Santa Ana threw the first basket in playing off the tie, and won the game 22 to 20.

CHARGES OF SMUGGLING

With Others As Result of
Confession

Other Chinese and a Mexican named Jose Vega Colleja have been arrested through the confession of Wong Chin Doc, who was arrested while guiding Chinese into this country.

Wong Wing Hing is said to have used his store at Anaheim as a distributing point for opium and contraband Chinese.

He was the principal witness two years ago against Humphreys and Patino, accused of robbing the chin's store.

SAYS WOOLWINE WON;
DEMANDS A RECOUNT

C. E. Warner Charges Fraud in
District Attorney Fight Be-
fore Superior Court

LOS ANGELES, Dec. 17.—Application for a recount of votes cast in the fight for the office of district attorney in the recent general election of John D. Fredericks to that office and declaring Thomas Lee Woolwine elected, was filed yesterday in the Superior Court.

The action for a recount is brought by Charles E. Warner, a taxpayer, who declares that election officials in the county precincts, through errors tallied and returned votes for Fredericks which were cast and should have been counted for Woolwine.

It is further alleged that if the votes had been counted correctly, the official returns would show Woolwine to be elected by a safe majority.

Warner is an electrician, with offices in the Security building and who lives at 433 West Forty-eighth street. "I was much interested in the candidacy of Woolwine, and after an investigation, I have determined to bring about a recount in order to make sure that the ballots were properly recorded," declared Warner yesterday. "I am bringing the suit entirely on my own initiative, although Woolwine knew that I contemplated asking for a recount."

"I do not care to say how that I know of any specific instances of wrong doing. I do know that mistakes were made. Whether these mistakes were intentional or not I do not know. In every election precinct there was a different method of counting the votes, and this left the door open for error."

"A count will be asked for in every precinct. I do not want to make any specific charges at this time, but will not be surprised if sensational discoveries are made. I would not have brought the action unless I had good ground for it, and I have only done so after careful consideration."

The official returns gave Fredericks a majority over Woolwine of slightly over 2300 votes.

DIRECT ELECTION SENTIMENT GROWS

Senators Will Halt Progress by
Keeping Back Plan for
Legislation

WASHINGTON, Dec. 17.—The steady growth of sentiment for the direct election of United States senators by the people today caused the stand-patters to confer on plans to head off the movement here.

It is asserted by the friends of direct election that Senators Hale and Root are endeavoring to keep in the judiciary committee, a resolution calling for the enactment of such a plan, and will hold the measure in committee until the end of the present session.

It is believed if a constitutional amendment was submitted to the people on this line it would be adopted. The house has already passed a resolution favoring direct election of senators four times, the measure being killed each time in the senate.

HAVE DREAMS OF DEAD MAN BROKEN SPIRIT OF GARCIA?

Have dreams of a dead man broken the nerves of Leodora Garcia, this week brought here from Mexico to answer to a charge of attempted murder?

Those who saw young Garcia at the preliminary examination in Justice Smithwick's court on Thursday saw a spiritless man, his eyes adom directed elsewhere than the floor. Occasionally he coughed. His mother and brother were in the room, and not since he fled with his father after Luis Manzo had been shot down and Reyes Molina left dead upon a railroad track, eighteen months ago, had Garcia laid eyes upon his relatives. He entered the room and left it without exchanging a word or a glance with his mother, down whose cheeks tears ran. A tiny slip of a girl, a relative, came to Leodora's side while he sat in the chair and heard the complaint read, charging that he tried to murder Luis Manzo on April 27, 1909. A bare flash of recognition crossed Leodora's face, and then the eyes and muscles went back to forlorn vacancy.

A second time the little girl with her big soft eyes came beside him, and Leodora's hand clasped hers. She kept close to him until the officer led Leodora out of the courtroom to jail.

That the prisoner and his mother and brother passed no sign of affection may have been the way of the Mexican. Probably so, but nevertheless Leodora is a broken man. Illness may be upon him, but more than illness is the broken spirit. In his sleep he has felt a dead man's fingers clinging to him.

Young Garcia was alone when he attacked Luis Manzo. Manzo and his boy were riding along Depot street when Leodora rode up behind the buggy and at close range opened fire. Two of the bullets took effect. Leodora was shooting to kill. That he does not deny. Had he had a heavier gun Manzo would have been killed. That same night Molina's

head was crushed in with a rock, and his body was left across a rail. Two men were present, for Prince came upon them. The officers have laid the matter up to Garcia, the father. They are satisfied that Leodora was there. Perhaps they are wrong in laying the murder up to Garcia, the father.

Leodora was in jail in Mexico for eight months before extradition was ordered. Eight months in jail in Mexico is no joke. When Leodora was handed over to Officers Cervantes and Murray, he showed the effects of his stay in prison, yet he seemed to be in good spirits. The officers noticed that he ate well at meals. They also noticed that while he talked of the charge of attempting to murder Manzo, he never mentioned his father and Molina.

On the train homeward bound, at 2:30 o'clock in the morning, Officer Cervantes was on watch with Garcia. Snoring showed Garcia to be asleep. Suddenly Garcia yelled, and kicked like a wild man. He tried to get up. Cervantes threw him back. Leodora continued to yell and struggle, awakening everyone in the car. When he had quieted, Cervantes asked him what was the matter. Leodora replied:

"A dead man was taking me away." Later he said: "A dead man crawled over me."

During the remainder of the trip home, the fright of the dream did not leave Leodora. Efforts to draw him into conversation failed. His appetite left him, and his nerves were unstrung.

Officers Cervantes and Murray, in speaking of the occurrence, said that until that time Leodora seemed to be feeling well. From that time to now he has acted like a broken, sick man, a strange contrast to the devil-may-care spirit that characterized Sarco Sainz, desperado, when he was brought back from Mexico on a charge of murder. If dreams ever troubled the sleep of Sarco, no one knew it.

REVOLUTION FIRES NOT DEAD IN MEXICO

Rebels Began General Advance
Today After Mobilizing for
Some Weeks

CLASH WITH FEDERALS
OCCURS NEAR OJINADA

Federal Troops Ready to De-
sert—Invasion of Chihua-
hua Is Looked For

EL PASO, Dec. 17.—A general advance of the revolutionary forces, which have been mobilizing for some weeks near Ojinada, began today. The cavalry of the insurgents clashed with the Federal troops at an hacienda fourteen miles from Ojinada. The rebels are reported to have driven the loyalists from their position, and stamped the Federal cavalry across the international line into Texas.

This engagement is believed to be the beginning of a movement by Francisco Madero to divide the Federal troops in Chihuahua. Dispatches state that the rebels have also captured La Junta Junction, a Mexican Northwestern Railway point.

General Navarro's troops in western Chihuahua were demoralized by several weeks of guerrilla fighting. The Federal morale is poor. It is reported that many Federals have deserted to the insurgents. A report that Navarro had been captured is unconfirmed.

General Fernandez, with reinforcements from Chihuahua, was cut off by the rebel force, and was unable to join Navarro. Messages state the rebels number under four thousand, but are preparing to strike a decisive blow.

The people of Chihuahua fear the first move of the rebels will be to tear up the Mexican Central tracks and invade the city. Business is practically at a standstill and wild rumors are keeping the people in constant alarm.

LODGE OPPOSED TO CUMMINS MEASURE

Favors Purpose But Not Method
—Says Tariff Revision Hurts
Business and Politics

WASHINGTON, Dec. 17.—Senator Lodge today attacked Senator Cummins' resolution demanding a schedule-by-schedule tariff revision. He declared he favored the purpose of Cummins' measure, but differs regarding the method of execution.

Lodge added that he thought a Senate resolution would be sufficient, and that it was unnecessary to bind both houses to a certain method of procedure. He stated that he favors a permanent tariff commission, and that wholesale tariff revision is an unmitigated evil, being not only ruinous to commercial interests but to the party responsible for it. He pointed to the Payne-Aldrich bill as failing to benefit business, and as reacting against the party.

Shower for Bride-to-Be

Thursday evening, mystery, secrets, lots of them, and a surprise were enjoyed by many. A few days before Mrs. Frank Logan and others of her delightful family were notified to be at home on Thursday night, as company was coming to spend the evening. The company came, but instead of two guests, as expected, there were many, a whole porchful, in fact. The guests were ushered in with many exclamations of surprise. Two of the "company" carried an immense clothes hamper filled with what proved to be a "shower," which included

articles for the kitchen, to be used by the eldest daughter of the Logan household, Miss Florence, when she becomes the bride of Mr. Earl Marshall. The wedding will be soon, about the first of the year. After the many useful gifts had been examined, games were played, then the refreshments brought by the "company" were served. Many were the good wishes extended to the young couple.

Christmas Is Coming

Christmas Day is certainly near at hand, but to the many Easterners who help to make up the population of this locality it does not seem as though it could be true. "Back East" Christmas means snow, sleigh rides, parties, skating parties, bonfires, furs, mittens, cold hands and feet, but a

A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherrybark, Bloodroot, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery" in subduing chronic, or lingering coughs, bronchitis, throat and lung affections, for all of which these agents are recommended by standard medicine.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherrybark in promoting assimilation and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its early stages. It is, however, a most valuable agent in the treatment of the disease, and in the long run, even when accompanied by bleeding from lungs, that it has performed its most marvelous cures.

Dr. J. C. Gilwood, M. D., of Pettit Medical College, Chicago, says of glycerine:

"Glycerine is an excellent purgative, giving a laxative quantity of the peristaltic action of the bowels. It is one of the most valuable agents of the present time in its action on the disordered stomach, especially where there is ulceration or catarrhal gastritis, natural inflammation of stomach, it is a most efficient purgative. Glycerine will relieve many cases of peptic ulcer, heartburn and excessive gastric acidity."

"Golden Medical Discovery" enriches and purifies the blood, cures blotches, pimples, eruptions, scrofulous swellings and old sores, or ulcers.

Sent to Dr. R. V. Pierce, of Buffalo, N. Y., for free booklet telling all about the native medicinal roots composing this wonderful medicine. There is no alcohol in it.

TO THE PEOPLE WHO ARE READERS OF THIS PAPER

During the past three days I have been offering a full bearing orange grove for \$250 per acre with positive proof that this \$250 would be all the grove would ever cost you.

This was the most remarkable offer ever made to the people of California, yet only two men bought. No doubt hundreds saw the ad but thought it was too good to be true, so did not take time to investigate and thus lost the chance of a life time.

Now I give all such persons fair warning that I have a large grove all in full bearing which can be bought in lots to suit purchaser for one-fifth down, balance to come out of crops. You missed the other opportunity—don't miss this. Call and ask about the property. It will take only a few minutes and costs nothing.

general good time; out here it means a ride in the afternoon of a pleasant day, ice cream for desert at dinner, walking to the church or hall, for the Christmas tree at night, and the walk generally produces perspiration in less than no time, but it also means the best of good times in California.

There will be three big Christmas trees and entertainments to attend in Tustin this year, and each one of these should be well attended, as those on the program have worked diligently to make the entertainments successes.

On Friday evening the Tustin Presbyterian church will have a program and tree, the program beginning promptly at 7 o'clock.

On Saturday evening the Advent Christian church will give a program. On the same evening the Knights of Pythias and Pythian Sisters will give their entertainments. The program for each of these is said to be exceptionally good this year.

Then, yesterday the principal and teachers of the public school said "Rise, pass," for the last time for two whole weeks. A short, informal program was enjoyed in the afternoon. The little vacation that is coming, though short, will be much appreciated, as the pupils have worked hard to progress under the skilled guidance of their teachers.

Entertained Girls

Miss Williams entertained the girls who were members of the choir led by her, last night at "Grandma" Utt's home.

Those present were Misses Carrie, Jessie and Alice Mathews, Mabel Logan, Clara Thorman, Alice and Inez Phinney, Dorothy and Gertrude Utt.

Interesting meeting

At the regular meeting of the members of the W.C.T.U. Thursday afternoon, Mrs. J. C. Searns sang "Hold Thou My Hand," and Mrs. C. E. Utt gave a reading. Both numbers were enjoyed. Mrs. Vandermolen led the meeting.

F. A. A. Elected Officers

On last Monday evening the Fraternal Aid Association elected the following officers for the ensuing term.

"Y" Meeting

The Tustin "Y's" held a very interesting meeting last Friday evening at the home of the president, Louise Long. There was music by Edith and Elvie Stearns, Louise Long, Alton Alderman and Claude Martin; a reading by Charles Deaver and a debate. "Resolved that the scale of women's wages should be raised." Louise Long and Claude Martin took the affirmative and Alton Alderman and Edith Rawlings the negative.

After the program those present enjoyed an old fashioned spelling match.

Carpenter's Talk

The new home of John Barker, near Aliso, is nearing completion. It will be a comfortable little California house.

The fine, new house for Mr. Truin and family has been completed, and the owners are moving in this week. Mr. Bromell's new home on Newport Road is finished and he and his family are occupying it.

The new house for Mr. Hofer and bride will be finished about the first of the year and ready for occupancy. Shingling of the Tustin Hills Citrus Association packing house will be started about the middle of next week.

Messrs. Stevens and Utt are putting up derricks for their wells on Newport Road, preparatory to pumping water onto the high land near the road.

Funeral Wednesday

Wednesday afternoon, from Smith's chapel in Santa Ana, the funeral service of John Squires was held. The service was conducted by a preacher from the Apostolic Faith Mission of Los Angeles.

The occasion was indeed a sad one, as the deceased was only a young boy of seventeen, just starting in life with his career before him. He was the oldest son of P. M. and Sophia Squires. There were many beautiful floral offerings and it was evident that, though young, he had made hosts of friends.

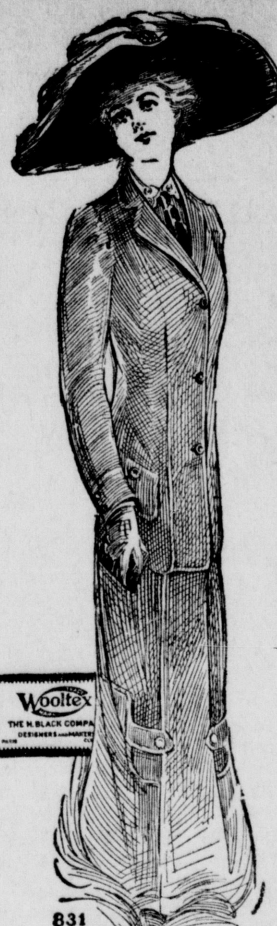

Fruit Shipments

There were eleven cars of navelis shipped this week by the Tustin Packing Co. and five by the Tustin Hills Citrus Association.

If we may safely believe all the reports that have been sent out regarding it, the minority members of the Arizona constitutional convention are justified in refusing to sign the document finally adopted. A goodly number of the majority are said to be disgusted with what has been done and fully expect the people to turn it down, and the present indications all seem to favor that result. They will have the pleasure of sitting back in territorial dignity while their old friends in New Mexico take up the responsibilities of statehood, and anyone who has followed the history of the two territories will realize how keenly they will enjoy that.

The microbe cranks have now discovered that handshaking is a very dangerous performance and the public is being seriously warned against it. Promise of Great Meeting Tonight
There will be two more meetings in the series being held by the Fishermen's Club of Los Angeles, in the Methodist church, South, corner of Broadway and Church street.

The meetings last night was well attended and the results were good. Many young people were away last night, owing to the high school debate, but there is promise that the attendance tonight will reach the high water mark.

The afternoon Bible study meetings at 3:30 are being very well attended, and it is expected that this afternoon's meeting will be one of the best yet.

Elliott H. Barrett will give the message tonight. He is a young man who has been through college life, and who gives a clear-cut message to the power of God in a young fellow's life.

There will be a street meeting tonight at the corner of Fourth and Main streets, at 7 o'clock. The meetings are something unusual in the way of street meetings, there being from five to fifteen or sixteen fellows in the bunch, all of whom give a clear-cut testimony.

All young people are urged especially to be present tonight. Tomorrow night will be closing night of the series, and a full house is expected. The meeting will probably be mostly a testimony meeting, and many of the "last-nighters" are expected out.

Informal Dinner

Mr. and Mrs. G. R. Smith and Mrs. Ella I. Fyfe last evening entertained pleasantly with a 6:30 o'clock dinner at their beautiful new home, their guests being friends from the Richmond, which was so long a time the residence of the Smiths and Mrs. Fyfe. Those dining informally with them were Mr. and Mrs. Maurice A. Yarnell, Mr. and Mrs. O. K. Forgy, Mrs. Emma J. Forgy and Dr. and Mrs. Shaul.

Quarterly Meeting

The first quarterly meeting of the church year of the First Methodist church was held at the church last night with a goodly attendance. Rev. Alfred Inwood, the new superintendent of the San Diego district, presided and delivered an inspiring address. He declared this is about the most important meeting of the church year, as all the lines of business for the year were laid out. The reports of the past year's work presented a very encouraging outlook, and the members will go forward with renewed vigor in church duties.

Dinner Party

Mr. and Mrs. W. L. Tubbs, who delight in entertaining their friends, and whose friends delight in being entertained by them, were hosts last night at a seven-course dinner served

at 6:30 o'clock. Roman hyacinths and ferns mingled in a handsome centerpiece.

Besides the host and hostess, covers were laid for Messrs. and Mesdames C. E. French, F. P. Nicky, I. D. Mills, Theo. Winbigler, L. J. Carden. Social conversation most pleasantly whiled away the evening following.

Veteran Rebekahs Were Guests

A pleasant event of yesterday was a six-course luncheon served at 1 o'clock at the home of Mrs. Helen Meredith on Washington avenue. Mrs. Meredith's guests were members of the Veteran Rebekahs' Association, and she paid her guests the high compliment of preparing all of the luncheon menu, assisted by her sister-in-law, Mrs. Dick Foye Harding, who with her daughter, Miss Marie, also assisted in entertaining.

An informal program of music, in which Mrs. Theo. Lacy played piano selections, and Miss Marie Harding gave vocal numbers, was enjoyed in the afternoon, being interspersed with the pleasant chat held over the fancy work which the ladies had with them. The event was delightfully informal and was highly enjoyed.

School Entertainment

The second and third grades of the Lincoln school, taught respectively by Miss Marie Shure and Miss Loreta Masters, held Christmas exercises yesterday afternoon in the third grade room. Decorations of smilax and flowers made the room most attractive.

The program consisted of recitations, songs and a parlor play, "The Toy's Rebellion," the latter given by nineteen children. The many guests present were greatly entertained by the interesting program that was so well presented by the children of the two grades.

Forefathers' Sunday

Tomorrow will be observed at the Congregational Church in honor of the landing of the Pilgrims. Rev. Charles A. Secombe will preach on "Puritan Ideals," and will trace the influence of those ideals upon modern life. In the evening he will anticipate Christmas in a lecture-sermon on "The Romance of Christmas."

Dinner Party

Mrs. Eugene Severance entertained at dinner on Wednesday, Mrs. Percy K. Lusk and Mrs. A. M. Robinson being her guests.

Congregational Bazaar

The Congregational bazaar and cooked food sale, which opened successfully this afternoon at the Main Street Arcade building, was largely attended and well patronized.

The ladies will keep open house tonight until their wares are disposed of, and those wishing Christmas presents of dainty or useful character, should not neglect the opportunity to secure them at this sale.

Don't Forget the Little Fellows

AFTER the boy has had his fill of gifts that only give temporary joy, how well will he appreciate something fashionably attractive in the apparel lines; something he can take real pride in long after the transitory pleasures of Xmas have passed.

END STOMACH TROUBLE NOW

Dyspepsia, Gas, Heartburn or
Indigestion Go in Five
Minutes

—As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep some Diapiesin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy stomach five minutes after. Tell your pharmacist to let you read the formula, plainly printed on these 50-cent case of Pape's Diapiesin, then you will readily see why it makes indigestion, sour stomach, heartburn and other distress go in five minutes, and relieves at once such miseries as belching of gas, eructations of sour, undigested food, nausea, headaches, dizziness, constipation and other stomach disorders.

Some folks have tried long to find relief from indigestion and dyspepsia or an out-of-order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, gas and stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapiesin.

LOS ANGELES PRODUCE MARKET

Tomatoes are one of the most interesting features of the market at present. The local crop last year at this time was all consumed and the frosts had made it impossible to secure more. Only a few hothouse growers were reaping big harvests. This year there was little frost, so little that it damaged only the ripe fruit on the vines and the green fruit was untouched with the result that this has been coming to maturity right along and there is at present a possible crop to carry another whole month unless it becomes too cold. Prices are down to 25 cents a lug box on very good stock and even at that figure there is a draginess to conditions. The greatest fear of the com-

mission men lies in the Mexican crop. The first car of Mexican tomatoes is expected to arrive in Los Angeles within a week, or two weeks at the most. These tomatoes are of extra fancy grade and with the big import duty, the freight and special packing they cannot in any way compete with the low prices of locals. The only thing the dealers can do and expect to do with the Mexican tomatoes is to ship them directly east where tomatoes are bringing big prices at present and will all winter.

Cucumbers from the hothouses are about the only ones selling at present. They are bringing from 75 cents to \$1.25 a dozen. Until this year the cucumber crop of this section was produced by one or two Hollywood growers and they obtained as high as \$3.00 per dozen for their stock. This large sum proved an incentive for others to enter the business with the result that there are at least five or six producers in this section this year. In the north one concern has planted a great number of vines and expects to get 30,000 dozen of the finest cucumbers, which in a measure will destroy the local growers' opportunities that existed in northern shipments.

There was little doing on the staple market, it being one of the quietest days in several weeks. Only shipments to Arizona, Nevada, Texas and other points kept many of the big firms actively engaged. Prices were unchanged in the majority of lines. Egg receipts were only 98 cases and the market was firm, a few sales of case count being made at the quoted figures.

Creamery extra butter declined to 35 cents, a drop of 1½ cents per pound. Other butter sold at the same quotations and eastern stock was in particular call. Receipts of the commodity were 11,942 pounds. Cheese arrivals were 3719 pounds. The demand was for the more fancy grades to supply immediate wants of the holiday trade. There were no big sales and prices were steady.

Potato arrivals were only 552 sacks and the market was very firm on account of these light receipts. High-lands were the best traders. There was no reported onion receipts and the market was fair. Bean arrivals were also very light. Lady Washingtons moved fairly well on the street.

Receipts of sweets totaled 268 sacks and the market was down 10 to 20 cents a hundred on the stock. Sales were good.

There was no change in apples. A few heavy sales of pears were reported. The demand for other varieties was less than normal. Arrivals were 1800 boxes of a total of three cars. Other fruits were unchanged in price.

INDIGENT HOME CAUGHT AFIRE

Flue Responsible for Blaze at Answer and Cross-Complaint
the County Hospital This
Morning Filed in Suit Brought by
Mrs. French

The roof of the kitchen of the indigent hospital at the southeast corner of Fifth and Spurgeon street was afire for a few minutes this morning about 10:30 o'clock. The fire was soon put out, and the damage done does not go over \$50.

The building, a shack of an affair, is leased by the county from W. G. Wells. The county carries \$1000 insurance.

Fire caught from the flue, and ran up between the ceiling and shingles to the wall of the building. E. H. Turner, steward, had noticed the odor of burning wood, and had a fire-extinguisher out and handy, but could not locate the fire. When he detected smoke coming from the ceiling, he turned on the extinguisher stream, while an inmate of the place telephoned for the firemen. The firemen turned on a stream of water, and the fire was soon out. Some damage was done by water. Nothing but prompt action saved the building.

STANTON IS AFTER \$1,512

Flue Responsible for Blaze at Answer and Cross-Complaint
the County Hospital This
Morning Filed in Suit Brought by
Mrs. French

Philip A. Stanton, who was a Republican candidate for the nomination for governor, has filed an answer and cross-complaint in the suit brought against him by Mrs. A. A. French. Mrs. French sued for \$6500. She alleged that in purchasing land near Anaheim from Stanton, Stanton agreed to furnish irrigation water, which he had failed to do. In his answer, Stanton alleges that Mrs. French's lands could have received irrigation water under the rules and regulations of the company, had Mrs. French wanted it; that no crops have been raised or attempted to be raised; that Mrs. French has never attempted to use the water.

In his cross-complaint Stanton asserts that on Jan. 2, 1909, he sold twenty-six acres to Mrs. French, and got in return a note for \$2525, 130 shares of stock in the Imperial Valley Water Co., horses and mules said to be worth \$500, and \$819 in cash. Stanton said he made many efforts to sell the note, water stock and horses and mules, and all he could get for them was \$3563. He says he depended entirely upon the plaintiff's representations as to their worth, but found when he came to attempting a sale that the representations were false. By reason of those circumstances Stanton alleges he was damaged \$1512, and asks judgment for that amount.

NEWS BUDGET FROM TALBERT

TALBERT, Dec. 16.—Mrs. S. E. Talbert's mother, Mrs. Thurman of Long Beach, is visiting with her through the holidays.

The Talbert School under the direction of Mr. and Miss Barry will give Christmas exercises this Friday evening, having a tree and a general exchange of presents.

Rev. and Mrs. Obarr entertained the stewards of the church at the parsonage, where plans for the year's work were set on foot.

Mrs. Talbert and mother spent Thursday in Los Angeles shopping. Urban Plavan has returned from Oceanside, having given up his beet raising project.

\$3.50 Recipe Cures Weak Kidneys, Free

Relieves Urinary and Kidney Troubles, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Back

—Wouldn't it be nice within a week or so to begin to say goodbye forever to the scalding, dribbling, straining or too frequent passage of urine; the forelead and the back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the dependency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, 6111 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.

ITEM FOR WOMEN

—Marlboro, Mass., June 1, 1910. I can frankly say that Parisian Sage has given me perfect satisfaction, and will highly recommend it as a hair grower and beautifier, and a sure cure for dandruff. I also have recommended it to several people, and it has given wonderful results.—Mrs. G. Barteaux, 26 Main St.

Cynthiana, Ky., June 3, 1910. I have used only two bottles of Parisian Sage, and I find my hair has increased wonderfully in thickness and luxuriance and beauty. The dandruff all disappeared. I was wonderfully surprised, as I have tried many hair restorers, though I have found none that ever has helped my hair except Parisian Sage, so I can say it is worth all of the hair restorers I have ever found, and I will tell many friends about it. Gratefully your friend, Miss
